

About Us

Founded in 2015, the Oak Park River Forest Workgroup for Positive Youth Development (PYD) is composed of more than 40 parents, educators, law enforcement officials and many Youth-serving organizations.

Through application of the Strategic Prevention Framework, our mission and vision is to provide practical insight and guidance to support youth in making choices that lead to healthy, alcohol-free lives.

The PYD is funded by a five-year grant from the Federal Center for Substance Abuse Prevention, administered from the Illinois Department of Human Services.
