

**Referendum Question & Legal Notice Ballot Proof
November 8, 2022 General Election**

To the Voters of Oak Park Township

“Shall the **people** of Illinois adopt the Illinois Initiative Amendment, which would give Illinois voters the right to propose and enact amendments to the Illinois state constitution by means of voter petition and referendum?”

Yes

No

I **have** reviewed the language for the referendum question that is set forth above. I agree and understand that this is the complete and exact language that will appear on the ballot and that will be published in the legal notice. The only additional language to be contained in the legal notice will be the Spanish translation of the referendum question, the date of the election and the polling place hours.
