

Organization	Community	Program	Contract Requested Amount	Recommendation	Rationale	RF Total	OP Total	
River Forest Public Library	River Forest	Connections	\$8,937.00	\$8,937.00	This program is a much needed middle school program that provides a safe space to youth after school. The YSC would like to see a revamping of the results evaluation procedure.		\$29,914.76	\$148,981.00
River Forest Police Department	River Forest	ISearch	\$9,125.00	\$9,125.00	This program reaches a lot of students and has an overall positive impact. Going forward, YSC expects this program to include expanded age appropriate content, videos available for every grade level, and implementing a standard schedule for presentations with atleast 1 committee member present for scheduled presentations.

Concordia University	OP&RF	STEM 4NE1	\$20,206.00	\$20,206.00	The STEM program has a history of success. Feedback in the past from both youth and parents has been overwhelmingly positive. YS will set up a meeting with program to discuss ways to look for other funding sources	50% OP 50% RF		
OPRFHS	OP&RF	Operation Snowball/Snowflake	\$1,100.00	\$1,100.00	Operation Snowball/Snowflake has a history of success.	80% OP 20% RF		
OPRFHS	OP&RF	Intramurals	\$7,000.00	\$7,000.00	Program reaches the most students out of any programs, fiscally responsible, not just sports related, but gives students other opportunities plus they are mentored by Program Director and Assistant Director. YSC applauds the inclusivity of this program.	80% OP 20% RF		
Oak Park Jets Foundation	OP&RF	Affinity Groups and Retreat	\$20,900.00	\$10,000.00	This is a new program to the committee that lacks success history. The YSC decided to award them half of their request as a trial run allowing any future applications from this program to have more data that shows that they can be successful along with a more detailed plan/curriculum.	80% OP 20% RF		
Fellowship Community Services	OP&RF	Friday Night Place	\$57,075.00	\$42,000.00	FNP is a regular part of the schedule for many youth in the community and the YSC would like to see that continue. The program's dedication to engaging not just the youth, but the family as a whole is a truly unique model that not many programs are successful at. YS Director and committee members will schedule a meeting with program to discuss other funding options and sustainability of program. They want to see less of a reliance on the YSC funding.	40,000 OP 2,000RF

Oak Park Public Library	Oak Park	Family and Community Discussions	\$7,600.00	\$7,600.00	The YSC applauds the organization of their facilitator. The program has had a positive impact on the community.			
Park District of Oak Park	Oak Park	Scholarship Program	\$8,000.00	\$8,000.00	The scholarship program at the PDOP offers youth an opportunity to participate in activities they otherwise would not have access to. The committee appreciates how far the PDOP is able to stretch the funds in order to serve as much as the community as possible. The committee also sees the need of this program as the COVID-19 crisis continues, more families/youth may need scholarship money to participate in extra curriculums.			
Fellowship Community Services/North Park Univeristy	Oak Park	SMART	\$77,100.00	\$47,297.00	This program affords kids the opportunity to explore new places and creates diverse learning experiences for students of OP. The committee decided not to give full amount due to excessive asking amounts each year and the committee would like to see the program become less dependant on them.			
Oak Park District 97 Irving	Oak Park	SLAM	\$10,410.00	\$10,410.00	Student participation in transition programs can be critical for students to succeed in higher grade levels. This year their program is for both 4th and 5th graders.			
William Hatch Elementary School, Oak Park District 97	Oak Park	Hatch Radiant Reading/ Hatch Mathmagicians	\$13,085.00	\$6,750.00	Hatch has a focus on academic literacy using an interventionist/venturing program model. This formula built into their model can help improve student's schoolwork ethic. The committee decided to fund the amount it would cost to purchase the specific kits needed for the interventions. They decided not to fund the full amount due to the amount of staff pay that was needed, since the program has staff for kindergarten-fifth grade.			
Abraham Lincoln Elementary	Oak Park	Black Girls Matter	\$5,350.00	\$5,350.00	This is a new program to the committee that lacks success history but is asking for a very low startup amount. The YSC believes it is vital to continue educating the community about the subject composition of black girls and this program will also give more black girls experiences to encourage them to pursue excellence.
