

**INTERGOVERNMENTAL AGREEMENT (IGA) BETWEEN
RIVER FOREST TOWNSHIP AND OAK PARK TOWNSHIP
REGARDING ADMINISTRATION OF GENERAL ASSISTANCE (GA)
For the 2-year period April 1, 2022 – March 31, 2024**

River Forest and Oak Park Townships are required by Illinois statute to process inquiries and applications for General Assistance and to administrate General Assistance to resident applicants who qualify.

Despite a larger number of inquiries related to financial assistance, River Forest Township (RFT) has a very low volume of actual GA clients, on average one client per year. Oak Park Township (OPT) has a much larger volume of GA clients and has knowledgeable and experienced GA staff.

Rather than hire/train/pay a GA Administrator for RFT to manage such a small number of GA clients, RFT will pay OPT for GA staff to administer RFT GA. This administrative cost will be supported by RFT's GA Fund. Actual RFT GA monthly payments, currently set at a flat grant of \$500 per month, will also be paid from RFT's GA Fund.

We believe this is the most cost-efficient and effective way to administrate RFT's GA clients/payments going forward.

1. INQUIRIES AND APPLICATIONS

Inquiries by River Forest residents related to financial assistance that come into RFT will be evaluated for possible GA eligibility by the RFT Supervisor and/or the RFT Mental Health Administrator/social worker. Residents who are possibly eligible for GA will be referred to OPT GA staff for further evaluation and application.

Referrals of RF residents for GA may also be made directly to OPT by local agencies and programs.

OPT GA staff will oversee the GA application process and review RF resident GA applications to determine eligibility. If a RF resident is deemed eligible for GA, OPT GA staff will administrate that GA case under this IGA.

OPT GA staff may terminate a RF resident GA client, according to GA eligibility rules.

OPT's administration of a RF flat grant GA case will follow the most recent version of the TOI General Assistance Handbook, which has been adopted by RFT (exception may be the use of the Handbook's codes).

OPT GA staff will inform the RFT Supervisor that a RF GA case has been opened and/or terminated. This will include the resident's name and the beneficiaries of the GA payments.

For the 2-year period April 1, 2022 – March 31, 2024**

2. FINANCIAL

a. Administrative Fee

RFT shall pay OPT an annual administrative fee of **\$3,000** for the periods of April 1, 2022 to March 31, 2023 and April 1, 2023 to March 31, 2024. This is based on the average of the last several years' administrative costs paid to RFT's GA Administrator. Administrative fees may be increased in FY2024 based on the cost-of-living scale, as mutually agreed by both Townships.

b. Monthly Flat Grant

OPT shall make a monthly flat grant payment to the RFT GA client or other beneficiaries (landlord, utility, etc.) on behalf of RFT. Flat grant amount is determined by the RFT Supervisor and shall be communicated in writing to OPT GA staff. RFT shall reimburse OPT for each monthly flat GA payment, currently set at \$500.

3. PAYMENT

Payment of administrative fees for the periods April 1, 2022, to March 31, 2023 and April 1, 2023 to March 31, 2024 shall be made by RFT in four (4) equal installments at the end of each fiscal quarter.

Payment for the GA monthly flat grant(s) shall be reimbursed to OPT on a quarterly basis.

Payment shall be due following receipt of an invoice from OPT and within thirty (30) days following each quarter of service.

4. EVALUATION AND RENEWAL

An evaluation of this agreement between RFT and OPT will be conducted in January 2024.

Renewal may be on a two-year basis beginning April 1, 2024.

Administrative fees shall be evaluated for the period April 1, 2022, to March 31, 2023 to determine their reasonableness in covering the actual cost of GA administration for RF residents. Any changes must be mutually agreed upon by both RFT and OPT.

5. TERMINATION

Either RFT or OPT may terminate this agreement upon sixty (60) days written notice.
