The Workgroup for Positive Youth Development (+PYD), convened by the Oak Park Township Prevention Services department, was awarded a five-year Drug-Free Communities Support Program grant through 2024 by the White House Office of National Drug Control Policy. This grant will allow for the community coalition (+PYD) to continue and expand their prevention efforts in Oak Park and River Forest to provide practical insight and guidance to support youth in making choices that lead to alcohol and drug free lives.

All meetings are open to everyone. If you would like to learn more or join one of the sub-committees, please visit oakparktownship.org/prevention-services for more information and to contact +PYD.

COALITION MEETINGS
